

VCSA TIMES 2013

The Christmas season always reminds me about the spirit of giving. It is ironic that Christmas follows the Thanksgiving holiday, to remind us to be appreciative and thankful and then to be hopeful and giving. With that being said, I would like to take this opportunity to express how thankful and appreciative I am of our VCSA members, our volunteers, our staff, our sponsors, and our supporters. I also want to express my hope that VCSA will continue to inspire future leaders to serve and give back to our community. 2013 has been an eventful year as ever at VCSA! As the year 2013 comes to an end, it is time for us to review all the highlights of this past year and to celebrate VCSA's achievements:

- VCSA Houston continues to serve as the VCSA headquarter and works collaboratively with the 6 remote chapters in Dallas, Austin, Washington DC, San Diego, Minnesota, and Toronto. GRACE (Gratitude, Respect, Accountability, Courage, Engagement) continues to be integrated with our core values in all aspects.
- The Inaugural Walk for Wellness was in May 2013 to promote healthy living and wellness. We raised almost \$30,000 for VCSA wellness projects.
- Len Duong Leadership Development Camp was successfully delivered in July in Toronto with participants from across the US and Canada. Len Duong Camp continues to inspire campers to be leaders and to take action. This year's theme was "It starts with ONE! Passion – Action – Impact!"
- Tobacco and Obesity Prevention Summit was held at the Houston Museum of Natural Science in July with over 300 students and volunteers participating. The Day Camp taught students about the adverse effects of tobacco and promoted healthy nutrition and diet.
- Youth Excellence Recognition Program – Vietnamese-American students continue to make us proud with their achievements. 30 Vietnamese-American valedictorians and salutatorians were identified in the Houston area and vicinity, and 23 were honored at this event.
- The Mid-Autumn Children's Festival was held at the Houston Children's Museum in September. We were able to introduce our culture through various activities with almost 3000 participants/visitors to the museum.
- Leadership Development Bonfire Passion or LDBP, our Houston VCSA Youth Chapter, fueled by the energy from Len Duong Camp, stayed very busy in 2013. They executed several workshops on cultural identity, effective communication, and the GRACE values. They also spearheaded the on-line Social Media Contest to promote GRACE and several other community projects.
- VCSA Scholarships – VCSA continues to offer various scholarships such as the Nicholas Le Pham, Vera Tran, Anthony Toan Thanh Nguyen Memorial scholarships to students for Len Duong Camp and for education. This year we celebrated the 10th anniversary of Vera Tran Scholarship Foundation in the memory of our beloved member Vera Tran who passed away in 2003.
- VCSA series of wellness and cultural workshops were delivered in 2013 on culture, education, literature, resume writing and interviewing skills, and health and science.
- Typhoon Haiyan Relief Efforts Walkathon – VCSA joined the Houston Vietnamese-American community's efforts in raising more than \$300,000 for the victims of the Haiyan Typhoon in the Philippines.

As you can see, VCSA delivers. We've stayed very busy and committed to serve. VCSA is very grateful to establish and maintain our relationship with great corporations and the local business community that provides us with the continued support needed for our programs and services. We hope that you will continue to support VCSA in 2014 and beyond. On behalf of the Executive Board, I would like to take this opportunity to sincerely thank all the VCSA members, all of our sponsors, partnering organizations, supporters, volunteers, and also our Board of Directors and the Advisory Board for your continuous guidance and support to help us carry out our mission.

On behalf of the VCSA family, I would like to send our best wishes to you and your family for a wonderful Holiday season.

Yours sincerely,

Kim Yen Vu

MESSAGE FROM THE BOARD CHAIR

Greetings,

On behalf of the Board of Directors of VCSA, I would like to send our best wishes to you and your family for a great holiday season and a new year 2014 full of prosperity, success and happiness.

Year 2013 has been a great year for VCSA with the new leadership team although we continued to face challenges in reduction of funding sources. The leadership team has created some very unique program in 2013 to address one of the major issues in our Vietnamese communities: Wellness! "Walk for Wellness" was first delivered in Houston, Texas with great success. We look forward to continuing this wellness program in years to come. VCSA has demonstrated its strength one more time through its volunteers' commitment and dedication. We are also blessed with a new leadership team that is very passionate, energetic and ready to bring the organization to the next level.

Despite the difficult economic climate in Houston, VCSA is still fortunate to be blessed with the support of many local corporations and institutions who believe in our mission. We are grateful for the wonderful new partnership with GILEAD, MD Anderson Cancer Center, Hope Clinic, Chinese Community Center and other businesses through our wellness program. We are also thankful for the continual support of other partnering corporations such as Shell Oil Corporation, Texas Instruments, CenterPoint Energy, WinMagic, Rock Revival, Thoi Bao Inc., Kim Son restaurant and several local media partners such as Saigon Radio Houston 900AM, Saigon Network Television, VAN TV, VietFace TV and Thoi Bao Media. We also appreciate the continual partnership with the Houston Museum of Natural Science and the Children's Museum of Houston to organize the two most popular annual programs: the Tobacco and Obesity Prevention Youth Summit and the Mid-Autumn Children's Festival.

This year also marked the 10th anniversary of the Vera Tran Scholarship Foundation program which offers scholarships every year through the Youth Excellence Luncheon and a contest for leadership and community service through Len Duong camp. This program helped to build leaders for our community and on its 10th anniversary we celebrate the success of the program with Vera's family and friends in a very special program to remember one of our youngest and yet most talented members: Tran Pham Nguyen Anh Vera. We also continue to build relationship with New Moon Foundation and GRACE Education Fund to support GRACE promotion in our leadership development Len Duong camp program. What was special this year was the establishment of Len Duong Circle 100 including camp Len Duong alumni who believe in the mission of the camp and lending a hand to raise funds for the camp. With 25 first Len Duong circle 100 "agents", the team raised more than \$5,000 for camp Len Duong 2013. It truly demonstrated the strength and the impacts of the program.

Once again, our best wishes to you and your family for a great Holiday season and we look forward to working with all of you, sponsors, volunteers, members and partners in year 2013 -- Year of the Horse.

Yours sincerely,

Anhlan Nguyen
(Board Chair)
